OCT | 23

WE WANT TO HEAR FROM YOU!

Inside your October bill is a copy of the annual meeting survey. We'd love to hear your feedback, whether you attended or not. Everyone who returns the survey will be entered into a drawing for one of two \$30 bill credits.

All surveys must be returned by **November 15** to be entered for the bill credit drawing. You can also complete the survey online at:

WANTED:
Rural Iowa
high school

#CyberAware

October is National Cybersecurity Awareness month. Looking to keep your online data safer? Flip on the MFA. Multi-factor authentication (MFA), sometimes called 2-factor authentication, adds a whole other level of security to your accounts. MFA includes biometrics (like face ID scans or fingerprint access), security keys or apps that send you unique, one-time codes when you want to log on to an account. We recommend you use MFA whenever offered.

CYBERSECURITY AWARENESS MONTH

Energy Efficiency Tip of the Month

Did you know using your dishwasher is more energy efficient than washing a load of dishes by hand? To maximize efficiency, wash full loads in the dishwasher and don't block the arms or other parts that move while the appliance is in use.

For additional savings, turn on the "air dry" setting instead of using the "heat dry" setting and use a rinse aid to help dishes dry faster without spotting and streaking.

**CO-OPS
GROW** 

COMMUNITIES

Electric cooperatives are joining co-ops across the U.S. to celebrate National Co-op Month.

As your local electric co-op, our services are shaped to meet your specific needs. We love growing with you, the members we are proud to serve.
