Please join us for our
ANNUAL MEETING
DRIVE-THROUGH

Monday,
September 11, 2023

1:30 – 6:30 p.m.

ACEC Headquarters, Postville

You are invited to our 85th Annual Meeting, held in a drive-through manner. Members are asked to enter at the main entrance (south entrance) of the Cooperative's headquarters at **229 Highway 51, Postville**.

ACEC Board of Directors will be there to welcome and guide you.

ACEC staff will greet you while you drive through the garage to vote in the director election (ballots can be found in your ACEC Annual Report, mailed to all members in August), receive a complimentary gift and HOT TO-GO MEAL while supplies last (must be present to receive a meal). All attendees will be entered into a drawing for a bill credit or ACEC SunSource solar panel subscription.

WE HOPE TO SEE YOU THERE!

CAN'T MAKE IT TO THE ANNUAL MEETING?

Be sure to mail your ballot to the Co-op!

All ballots MUST BE RECEIVED by September 11.

Save Money with Energy-Efficient Products!

Allamakee-Clayton Electric has a variety of rebates available to members who purchase energy-efficient products.

Please review the rebate prior to purchase to ensure your item meets the rebate requirement for energy efficiency.

All products must be Energy Star rated to qualify.

Full details are listed at www.acrec.com/rebates

Rebates must be submitted by December 31, 2023

FIRSTCALL
Medical Monitoring

Did you know ACEC offers FirstCall Service?

FirstCall is our emergency response system that is activated by a fall or by pressing a button. The FirstCall client wears a water-resistant pendant either around the neck or on the wrist.

When the client presses the pendant, a trained emergency response operator, available 24/7, receives the signal. If emergency medical help is needed, the operator contacts the appropriate support. In a non-emergency, the operator will contact designated family, friends or neighbors.

FirstCall is available to ACEC members and non-members within our service territory.

For more information, contact Sandy Williams at (888) 788-1551.

CO-OPS VOTE

A PROGRAM OF AMERICA'S
ELECTRIC COOPERATIVES

WWW.VOTE.COOP

Rural Communities depend on voters like you to ensure that we have a voice with our elected officials. Are you registered to vote in the November election? Check your voter registration status at www.sos.iowa.gov.

Energy Efficiency Tip of the Month

Did you know fall is the perfect time to schedule a tune-up for your heating system? Home heating accounts for a large portion of winter energy bills, and no matter what kind of system you have, you can save energy and money by regularly maintaining your equipment.

Combining proper equipment maintenance and upgrades with recommended insulation, air sealing and thermostat settings can save about 30% on your energy bills.
