### REC Holds 83<sup>rd</sup> Annual Meeting with a Drive-Through

Allamakee-Clayton Electric Cooperative held its 83<sup>rd</sup> annual meeting Monday, September 13, in a drive-through format. With increased attendance this year, the board of directors and employees thank all members who could vote for their board directors and visit us during the drive-through. Each member had the opportunity to vote, receive a gift and take home a hot to-go meal. In addition, the Cooperative's Tesla Model 3 electric vehicle was on display for members who are interested in or considering an EV.

Cooperative members who voted by mail or during the annual meeting drive-through returned Jeff Bradley of Wadena and Jerry Keleher of Elkader to their seats on the board. Elected to the board was Nelson Converse of Postville. Don McCormick of Harpers Ferry did not seek re-election.

The board of directors will hold their reorganization meeting during the September 27 Board Meeting to elect the officers.
